--	--

<ul style="list-style-type: none"> <li>• Babendreier et al., 2004</li> </ul>	
<p>7. Section: Citations</p> <p><b>Author:</b> Following citations are not included in the reference list. Please provide required details for including them in the list or advise whether they can be removed from the text.</p> <ul style="list-style-type: none"> <li>• O'Toole and Raw, 1996,</li> <li>• Pereboom, 2000,</li> <li>• Winston, 1987,</li> <li>• Riedl et al., 2006,</li> <li>• Winfree et al., 2007a,</li> <li>• EEC, 2006,</li> <li>• Chen et al., 2006,</li> <li>• Pettis et al., 2010</li> <li>• Wallner and Choudhary and Sharma</li> <li>• Dinter et al.</li> </ul>	
<p>8. Section: Citations</p> <p><b>Author:</b> Citations “Dinter et al.; Wallner, and Choudhary; and Sharma” doesn't have publication year and they are not in the reference list also. Please check and provide details for including them in the list.</p>	
<p>9. Section: 7.13.1.1 Semi-Field Studies</p> <p><b>Author:</b> Bullet points “(6)Temporarily close nest tunnels and apply pesticide at levels of interest to mud” and “(8)Open nests and pull out mud partitions divided cells provisioned post-application to measure” seems to be</p>	

	unclear. Please check.	
10.	<p><b>Section: Figure citation</b></p> <p><b>Author:</b> Figures 7.2, 7.3, 7.4, 7.5, and 7.6 are not cited in the text. Please check and provide the same.</p>	
11.	<p><b>Section: SCREENING LEVEL EXPOSURE ESTIMATES</b></p> <p><b>Author:</b> Please check whether the sentence “Data developed by Atkins [...] the equivalent number of kilograms of chemical per hectare (kg a.i./ha) (that would yield an LD50) by multiplying by 1.12.” can be changed to “Data developed by Atkins [...] the equivalent number of kilograms of chemical per hectare (kg a.i./ha) (that would yield an LD50) multiplied by 1.12.”</p>	
12.	<p><b>Section: EPA Residue Unit Dose (), Comparison of Lab Contact Toxicity Data with Residue Data From T-Rex</b></p> <p><b>Author:</b> Please provide the expansion for the following if deemed necessary.</p> <ul style="list-style-type: none"> <li>• ICPBR</li> <li>• EPA</li> </ul>	
13.	<p><b>Section: EPA Residue Unit Dose (), Comparison of Lab Contact Toxicity Data with Residue Data From T-Rex</b></p> <p><b>Author:</b> The abbreviations “T-Rex” and “TRES” are given in the text. Please specify the one to be followed consistently in the text.</p>	
14.	<p><b>Section: PREDICTED CONTACT EXPOSURE FOR FOLIAR-APPLIED PRODUCTS</b></p> <p><b>Author:</b> Please check whether the units</p>	

	“ng/bee” and “kg as/ha” have been given as intended.	
15.	<p><b>Section: FIELD TREATMENTS FOR HONEY BEE COLONIES, SPIKED SUCROSE, AND SPIKED POLLEN</b></p> <p><b>Author:</b> The sentence “As discussed above, [...] collection, handling, shipping, and processing.” has been changed to “As discussed earlier, appropriate steps should be taken to validate the proper handling of residue samples during collection, shipping, and processing.” Please check whether the intended sense is preserved after the change made.</p>	
16.	<p><b>Section: Semi-Field Studies</b></p> <p><b>Author:</b> “Tunnel nests” and “nest tunnels” are used in the text. Please specify the one to be followed consistently.</p>
